10th February 2014

Dear Patient Group Member

Thank you for expressing an interest in our Patient Reference Group, (PRG).

I have now received some suggestions on which areas to cover in our annual questionnaire and I have attached a copy for you to look at. If you have any comments or suggestions, please could you let me know by the end of this week, so that I can start distributing the final survey during the week commencing the 17th February.

I will e-mail you with the final version and hope you will complete it and return it to us either by e-mail, by following the link to SurveyGizmo, or by leaving it in the box at reception.

The questionnaire will also be distributed to non PRG members in paper form as they attend the surgery and via e-mail where we hold an e-mail address.

Thank you again for taking the time to help us with this important piece of work.

With kind regards.

Jenny T Read
Practice Manager
